- * **Poetry and Allusions:** *ROTK* is interspersed with poetry and literary allusions that are deeply rooted in Chinese tradition. Finding English equivalents that capture the spirit and meaning, rather than just the literal words, is a significant challenge.
- * **Varying Editions:** Historically, there have been different versions of *ROTK*. Roberts would have had to select a primary source text and make informed decisions about which textual variations to

follow. Roberts' success in overcoming these hurdles is a testament to his scholarship and dedication. His translation is not just a linguistic bridge but a cultural one, allowing the heart and soul of this ancient story to resonate with modern readers.
