Meet the Characters: The Heart of the Story

No matter how imaginative the world-building, a story truly shines through its characters, and "The Forbidden Library" is no exception.

Her initial reluctance and fear are relatable emotions that draw the reader into her experience.

Master Elias Thorne: The Enigmatic Mentor

Guiding Kate through this bewildering new reality is Master Elias Thorne, a formidable sorcerer and the guardian of the Forbidden Library. He is wise, often cryptic, and possesses a deep understanding of the magical forces at play. While his methods can sometimes seem harsh or unconventional, his ultimate goal is always Kate's safety and the preservation of the library's secrets.
